PROFESSIONAL EXPERIENCE

PT. Bimbelio Edukasi Teknologi — AI-Powered EdTech Platform

Jakarta

Co-founder & Chief Executive Officer

Feb 2025 – Apr 2026

- Scaled platform 0→5,000+ MAU in 12 months via referral mechanics, school partnerships, and organic content acquisition; led 15+ person cross-functional team across product, marketing, content, tutor operations, and business development in 12+ cities across Indonesia.
- Built all-in-one exam preparation ecosystem (AI 24/7 tutoring, IRT-based tryouts, 200+ live class sessions, 5,000+ video materials); grew organic social presence to 12,000 followers while maintaining customer acquisition cost below IDR 15,000 per user.
- Recovered product launch after the loss of 3 core developers during the final sprint: leveraged AI agents and vibe coding to accelerate development, onboarded replacement contractors within 2 weeks, and shipped 90% of core features.

Mie OndeMande — Multi-Branch F&B Restaurant Chain

Indonesia

Co-founder & Chief Marketing Officer

Aug 2023 – Apr 2026

- Led brand, digital marketing, and go-to-market across 3 branches (Depok, Pekanbaru, Padang); achieved 9-figure monthly revenue within 24 months via regional campaign localization and store-level acquisition.
- Developed city-specific acquisition playbooks adapting creative, menu positioning, and promotions to each market; optimized online ordering across ShopeeFood, GoFood, GrabFood.

SIMAKARA — Test Preparation (UTBK & SIMAK UI)

Indonesia

Co-founder & Chief Marketing Officer

Aug 2020 – Jul 2023

- Drove 400%+ annual revenue growth (2021–2023 ~ IDR 900+ million) via school partnerships and digital acquisition; scaled students from 400+ to 1,700+; orchestrated 100+ managers, tutors, and support staff.
- Executed offline and online partnership events across 10 Indonesian cities to drive student acquisition; grew Instagram following to 40,000 through organic content and integrated digital campaigns.
- Reduced customer acquisition cost 35% vs. industry via Meta Ads, TikTok Ads, and SEO funnel optimization; managed 40+ mentor team maintaining NPS 4.8/5.0.

GoTo Financial (Gojek) — Digital Payments & Financial Services

Jakarta

Strategic Partnership Intern | Payment & Lending Intern

Aug – Dec 2022

- Benchmarked 8+ PoS players, identifying 3 product gaps for merchant partnership strategy; built financial and commercial assessments for partnership opportunities across business and product teams.
- Automated product analytics workflow, cutting dashboard refresh time from 3–4 hrs to 12 min via SQL pulls and Excel automation; delivered weekly reports across 5 KPIs and 3 regions.

Otoritas Jasa Keuangan (OJK) — Indonesia Financial Services Authority

Jakarta

Capital Market & Fintech Lending Research Intern

Sep 2021

- Produced capital market research across 9 IDX sectors, synthesizing market data, macro indicators, and regulatory context into structured internal briefs for supervisory review.
- Authored 2-week fintech lending regulatory brief triangulating BPS, Bank Indonesia, AFPI data with 5 practitioner interviews; analyzed 2-year dataset across 150+ licensed entities for policy recommendations.
